

Dear Students and Parents,

Welcome to a great, upcoming regular day 6th grade school year at EDUPRIZE! You have been assigned to the Farnsworth/Pendle cohort. **Mr. Farnsworth** will be your **Homeroom Teacher**. This year our cottages will be Atomic Avenue, Rainforest, Observatory, and Imperial Highway. We are excited for the opportunity to get to know you and your families. First, we would like for you to know a little bit about us!

Mr. Farnsworth: I will be teaching Writing, Math, and Science. This year will be my 26th year teaching at EDUPRIZE. I graduated from Ottawa University and received my Bachelor's Degree in Elementary Education and a Master's Degree in Bilingual Education. I've been married now for 31 years, and my wife is a tap dance instructor at Inspire Dance Studio. We have three children: Kailin, Karsyn, and Kaden. In my spare time, I love to read. I also hope to inspire students to become passionate readers. It's my hope that students will feel safe and enjoy the learning process during this school year. I look forward to being part of their experience.

Ms. Pendle: I will be teaching Writing, ELA, and Social Studies. My journey in life has led me to fulfill a dream that I had as a child - to become a teacher. This will be my 18th year teaching, and my 8th year at EDUPRIZE. I received my Bachelor's Degree in Interdisciplinary Studies K-8 from Western Governors University. I am a native of Arizona and enjoy biking, hiking, reading, and spending time with my family. I have three children: Nathan and Kelsey, who are in college, and Lyberty, who is married. Also, I am a proud grandma of an 8 year old grandson. I am excited to learn all about my new students and watch them grow into life-long learners.

We have high expectations for our students. We expect them to be responsible and show good character to their teachers and peers. We like to make learning fun, and this happens when students are responsible, prepared, respectful, and motivated to learn! We are excited to have parent helpers in our classroom and will begin utilizing their help sometime after the first week of school.

We will meet students at building 2 lunch tables each morning. Please enter the campus through the gates and wait outside for us each morning to come out and greet you. We are excited to start our journey together this year and hope that it will be a wonderful year for our sixth graders. There is so much to learn, and it will be our honor to be your teachers! Enjoy the rest of your summer, and we will see you soon!
