Mrs. Falconburg

Welcome Back! My name is Lauren Falconburg and I will be one of your child's teachers this year. I will be teaching your child English Language Arts. I was raised in New Jersey, which is where I spend my summers. I relocated to Arizona in 1996. I have been teaching since 2004.

This is my fifth year at EDUPRIZE. I have a Masters Degree in Education. I am married to my husband, Robert. Together, we have a 13-year old daughter, Gianna. I cannot wait to have your child as my student!

Mrs. Fry

My name is Cynthia Fry and I am so incredibly lucky to be a 5th grade writing and math teacher this year! We are going to learn about so many things and have a lot of fun together. I was born and raised in Chandler, Arizona. My dogs and cats like it when I lounge around with them. I received a bachelor's degree in business management and a master's degree in education. I started as a reading teacher for Kinder through 4th grade and quickly added more grades to include all K-8. I missed being in a regular classroom and started out in 5th grade. This age is so incredibly fun and my favorite group to work with.

Welcome 5th Grade Families!

We are so excited to meet you! Your child will have a trio of teachers this year; Mrs. Kilgore, Mrs. Fry and Mrs. Falconburg. Mrs. Kilgore will be teaching Cottage and Social Studies. Mrs. Fry will be teaching Math. Mrs. Falconburg will be teaching English Language Arts (ELA). Even though one of us will be your homeroom and writing teacher, you will spend an equal amount of time in all three classes. We are looking forward to seeing you at Open House!

Mrs. Kilgore

Happy new school year! I'm Tiffany Kilgore and I will be one of your teachers this year. I will be teaching Writing, Social Studies and Cottage. I was born and raised in Arizona. I've lived all over, but I always seem to come home. This will be my fourth year teaching at EDUPRIZE and my third year teaching 5th grade, which I am very excited about! I have a Master's of Science in Aeronautics and I can't wait to apply my knowledge of scientific theories in class. My husband, Joe, and I have three kiddos that will be in 5th, 3rd, and 2nd this year. I'm looking forward to a fun year with you!
